

A new start for an old freind

I come from a quasi-broken home, devoid of all love and affection. I first turned to porn+masturbation as a temporary 'relief' from the bitter depression that I lived with day and night. With no social network, and virtually no family, i was left to raise myself, and provide my emotional needs. Porn gave me the only relief I knew of, and with the advance of DSL i went from google image search, to full blow VIDEOS (free ones - hey I'm cheap). Then with unlimited internet on my cellphone, I had an unlimited assortment of pictures to satisfy my never-ending lust.

3 years ago I found GYE, back on the .com site, even before the forum existed. After 2 months of tortuous work, I broke free and had my first of several 200+ days clean. Since then i have grow until the point where I can KILL any lust within a moment of it entering my mind. true I have my lusting under control, my shmiras einayim perfected to an art. However all my years of lusting have left me with a gaping emotional void. A vacuum that sucks the pleasure and meaning of everything I now have from me. I remain a grim and placid person, unable to enjoy the blessings G-D bestows onto me.

All the years that I was enslaved to lust, created a permanent mark in my self, that effects everything I do. But rather than accept myself as 'damaged goods' I decided to use the 12 steps to help me fill that void. Anyone who has born witness to Dov's passionate defense to his religions adherence to the program, will understand why i am now beginning to ascribe myself to this system. I am not doing it because I cannot control my lust, I C-A-N. Not because i cannot control my eyes, I have them almost fully in control. Rather I am submitting to the 12 step system, because nothing else has proven itself a long term therapy (ameilus batorah works wonders in this, until i burn-out ????).

Please join me on my path to rediscovering myself, and learning how to live as a
RECOVERED LUST ADDICT.
