just in case someone still cares, i have been doing great lately, i have in the last 40 days not lustfully gazed at any women at all! yes you heard not one! if i did i looked away right away! no porn for 2.5 months and i'm under a neder which is working great for me! yes its hard and sometimes i want to look, but for most part i am disgusted at looking. my shlom bayis is great since and the love between me and my wife since then is awesome! its rewarding i daven better learn and and all around a better person. And i have to thank all of you for the great chizzuck i get here. i hope this continues and the real test is going to be bain hazmanim and i am preparing alot for it.

wow thats amazing, i don't plan to fall again but the YH is a smart guy so i have to be on guard! at what point do you stop the neder? i'm still to nervous to stop. As far as the street, its not easy but i'm still doing it, its becoming more and more 2nd nature, i haven't been faced with crazy tests so far, and for that i thank hashem, i'm ready for a big test even though i don't want it to come. But sometimes i feel the YH has a sence of humor like when i'm being all good at he put some stupid non tznious women right in from of you in the store, i think its funny i have eeven cought myself laughing at how he tried but tooooooooooo freggggggggn bad mr YH i aint loooking at this poor women!
