

I want to introduce myself

Posted by mechazek - 12 Jun 2011 18:44

---

I am a 30 year old 18year addict 5 years in recovery boruch hashem.I am very happily married with a few children.It has been one heck of a ride and it is amazing how screwed up I was.Life is alot more meaningful and pleasureable now and I am so happy to have the experience of fighting such an intense battle.I am hoping to make some great freinds here.
