Dovid Hamelech didn't get there for free either. He fought and fought and was zoche to a madreiga that few have reached.

I saw a pshat (maybe somewhere on this site) that when it says that when Dovid was old he was always cold, means that his Avodas Hashem got cold, because he had nothing left to fight for. So his advisors brought in Avishag Hashunamis, to wake up his Yetzer Hora....

Getting "points" for posting is not the "point" here. The idea is to share, learn, help, and be helped. The more you participate and help others, the more you will grow. I speak for myself too, everything I write I am really writing to myself.....

Welcome and KUTGW!!

Gevura!

I just came across this post, maybe that's where I saw the vort earlier.

Its inside of me, waiting to shine!!!

Start by showing a bit to a safe person...just one. Then you will learn that there is no real fear here, at all. It is quite possibly something very different than *fear* that is stopping you.

And I am not telling what it is, though I have a guess.

There are many sick people here, and you are far from alone. Go for it, brother.

Been busy (with good things). Didn't even logon yesterday.

Once I logon and start reading and posting, it's hard to pull myself away and get my work done.

And you?
