

Thank u Por...& Mas...

Posted by ThankuThankuThanku - 23 Oct 2011 16:40

Hi Chevra

I started therapy lately, I am rather enjoying it.

But He is getting me to realise how I react and respond in his peculiar ways.

But the most interesting part was the way he is trying to make me feel about P&Ming

this is what he said:

"you are in a war you against the world, living here has been hell for you"

"you have to be thankful to the porn and sex, this is what kept you surviving"

Chevra tell me what you think about it

should i quit?

I am not new to the forum I love the forum and hang on to it

however I am new to this ID

I want to be very clear with discussing my therapists way of work

I decided to add another ID for this sake

SO dont try guessing who I am It's none of your B

ask him what happens if the problems come back.

is he saying you should put yourself into the hands of a higher power- like the 12 steps

Hey I forgot about R Shlachter, you're right that's right up his alley. I don't think his approach worked too well for Uri, or Sturrgle (Was he by him also?).

By the way your guy still hasnt gotten back to me.
