Help! I've fallen (again) .. Brother, help me get out! Posted by DovInIsrael - 23 Oct 2011 17:17 yasher koach for reaching out! thanks! ever feel like that - you slip, you fall.. and wonder how you got into this mess in the first place? back, by popular demand: The Mind, Body, and Spirit equation. More than just another 12-step program (its more like a supplemental launch) LEARN: - what triggers you, and how to unplug those triggers. - why we slip after completing a 12-step program - recovery and the harmful fumes of a toxic relationship - where is all that buzzing in your head coming from - cycles of recovery, and what to do when you are spinning out of control - why we do dumb stuff - like formally saying Good-bye to "friends" at our favorite p\*rn station/magazine, etc. - and why you have this sinking feeling that the p\*rn is killing you.. and what to do about it BEFORE it does! and a bunch of other psycho-techno-mind-baffling power-packed mumbo-jumbo to help clear your brain of the poison.. and fill you up with some more of the good stuff!
