Sounds like a good idea. This is what I ask Him for. To take my lust. But I also do my part, which is watching my eyes vigilantly, so my lust isn't triggered.

Have you read the handbooks, do you have a plan for recovery? KOP [Keep On Posting- how would you say [i]that[i] in hebrew?]

P.S. you can visit [here](#) when you've settled down!
