hello every1 i want u guys to check this site out and go to the lectures on the

top right page and click it and then click all videos and scroll down to videos

in english area and scroll down from there to find a word "path to the just

series #20" and the best part i like is at 1:23:18 and also check out the audios

verisons and + check on "confidence in G-d part a b c d "and this will help

our emunah to build up on fighting the Y"hara and get more hope for not

being depress and fight much better then before... this helps me alot on

conquering my Y"hara
