I was at your synagogue this shabbos!

Kiddush was in the basement

And there were way more shtreimels than usual

And way too many chassidish girls in the streets surrounding it. What are they even doing there?

you know how to make Irish Coffee? great stuff. we have it on sukkos when its frosty (before the global warming days). dip the rim of the cup in lemon juice and then dip in sugar, place the coffee and Jameson's in, then heap cream on top. geshmak! lechaim!

leave the AD"CH and the left coast chickens out cause the kosher is ....., and it's passt nisht.
