Dear lost soull,

Your creator may love you at all times, but they say He hates zeemah, so don't make Him uncomfortable.

Good one.

V'hiyisem N'kiyim:

I don't chalila listen to Britney [Spears- for those Tzaddikim that don't know] but I have, in the course of my approximate seven years of being a Professional Lustomaniac done many stupid things [and while we're at it- the songs on the "Jewish" Musical (Women and Girls only!) "Happily Eva' After" are all stolen from Goyish Musicals, I mean at least one- and I think we could learn the rest in a "meh moo-tzini"].

for all you people wondering where i've been...

well, at least today is day 23

I'm feeling really down, i wasted approx 1.5 weeks at work, surfing the web and other shtusim-

i didn't really fall, but there where a lot of sort of slipping situations -

THE WORST ARE THE "JEWISH" "HEIMISH" BLOGS, ALL FULL OF LASHON HARA
RECHILUS ZNUS ANG ASSORTED GARBAGE!

any hoo i have redeclared my internet strike effctive today, I hope to do better,

the real problem is that i'm feeling frustrated @ work and procrastinating on a lot of important
things which causes an anxiety buildup

And u have not been posting so much all that time, I presume...and clean all that time! To me that means that for some people, frequent posting about the problem is really a bad idea and they will do better posting only a little and getting busier with real life. (While for some people, of course, posting a lot is absolutely essential.)

Yyasher kochacho, chaver!

Today is the fist day of the rest of my life!

I was pretty down for the last month and a half with at least three real falls as well as searching for inappropriate content on image search... i don't know what clicked but I under took a 2 day internet strike (meaning non work related) with high stakes... I gave my Buddy \$360 on deposit... i told him the basic guidelines if i go on a non workrelated website (also excluding GYE) tha cash goes straight to r' Meir hopefully this jolt'll pull me out of my rut..

In an unrelated story-

we are heading into the final week of SHOAVAVIM
Thanks Ya Sweeties!

please apply all booster nitro blasters and buckle up-

Lets all make HAsheM proud!
