Ad'rabba, we would love to hear some smart ideas and tips from our brothers in the holy land.

That's fine just stay with us and slowly you will learn everything.

How about using Google Translate? As you said, you just have to translate the terms and then ??? ?????

We'd like to get to know you. Can you tell us about yourself, perhaps a bit at a time?

And by the way, is your name Tzaddik Goomir, or Tzaddik Gumure, or perhaps Tzaddik Gamoor???

Either way, you're a Tzaddik, and you're wellcome here.

Moish

yes. the question are in place. i should have tell liitle bit more about my self in the first place.

i strated "GYE" around sivan/tamuz of last year (found it on google) & i called myself "Tzadik Gamur". i fought a lot that i'm not addicted (chole) i have a big yetzer horah. &that why i want to be Tzadik but can't i'm Gamur. finished .done. as i stayed more & more i learned, very slow, that i'm not Chote. i'm chole. & i need to take my medication. the 12 steps. (i changed my display name to "Matnat-Hanikayon - the gift of cleanlyness) however i still took my time. hoping the reading/writing in the forum will be sufficient. i get to over 1,000 msg & got no where. people who came after me got already long sobriety while i got 2 digits. & not "sober". just "dry". the "spils" came back again & again. so i came on my 4 feets & stated writing the 1st step.

B"H i did not go too far... just Zera Levatolo & pron.. some magazine... nothing much! (no "real stuff" if you understand) & maybe that what held me back from taking the pogram sirious. now i'm in the middle of the 1st step i see how sick i was & this is why i got stock on the firts step. i was afraid to akcnowledge my powerlessness.

Thank you for that.

Hey, i love how that line sounds in Hebrew, "I am not a choteh, i am a choleh".

Guard, how's that for "quote of the day"?

But seriously, thanks for sharing.

Are you working the steps with a sponsor?
