

addiction

Posted by mzlapp - 09 Aug 2013 01:18

I am a 21 year old guy and as for as long as I can remember, I have had an addiction to internet p*** and masturbating. I've tried many times, but I always find my way back. I was in yeshiva for three years and even there I had a problem. I decided to join this forum because I've had enough of this problem and to finally admit that I need help.
