

Daily Posting

Posted by net12 - 02 Sep 2013 07:58

Hi All

I've decided that one of the ways I'm gonna shake this problem, is by posting my ramblings and daily struggles here every once in a while, just here to say Hi, more coming later....

Cheers

Hi Net12

My name is Eli,

How do you do sir? (I typed that with an English accent)

Post away. Share something about yourself, about your struggles or about your favorite flavor of ice-cream: herring.
