Re: for thinkers Posted by Tosfos - 13 Jan 2014 20:22) that the idea that addicts "think too much" has merit... after all, it is a common refrain around here that each one of us must "get outside of himself" (I think I just read a post about 5 minutes ago from Pidaini on another thread, where he said exactly that)... to me, those two concepts are almost one and the same. Have a good day. Re: for thinkers Posted by gibbor120 - 13 Jan 2014 21:55 <u>Lthink (uh_oh__</u> Re: for thinkers Posted by tryingtoshteig - 13 Jan 2014 22:11 That's an interesting question. I will think about it and get back to you...
