First off all I want to say a very big thank you for gaurd youryes for setting up such a great organization.my struggle is mainly masturbation which im dealing with from age 9 the first time I noticed what I was doing was wrong is when I bought a sefer after my Bar mitsva called seder hayom untill then i thought i was the only one in the world to do such crazy things.But i realized much after that this was a way to get out of my anxieties I was very much alone as well not having really any friends.have to go now hope to continue!
