It should be b'hatzlachah.....enjoy your doctor visit. Re: yes even doctors masturbate Posted by charlie - 09 May 2014 12:40

I am 30 years old and married. I work as a Doctor and am increasingly concerned that I too may be a sex addict. I have open internet at my place of work and am unable to stop searching for pictures etc.

I seem to have lost the boundaries of control since last week I had a sexual encouter. I made up a pretend medical complaint and asked one of my female doctor colleges to examine me - I ejaculated during the examintion - she thought it was discharge. She is a holcause survivor and I used her for my own physical pleasures. when my wife was away recently I stuffed her robe with pillows and pretended to have sex with her. the scarry thing was that it felt the same - she often says that I am distant from her while we are having sex. (I guess I am totally engrossed in my own pleasure I ignore her) I would love to tell my life story to someone and be "diagnosed" if I really have a problem or not - who can you recommend anyone

gud shabbos

You definitely have a problem if you compulsively act out and cannot stop. We are not into "diagnosing" here. You have to "self-diagnose". I'd recommend reading the handbook and some of the material here. Keep posting and reading.
There are lots of tools and suggestions. Try them and see if they help. If not, try something else.
I have some good links in my signature.
You are not alone. We all have similar problems. They have different flavors, but they are all basically the same. Lust contolls us, and we can't seem to rid ourselves of it no matter how hard we try.
Your wife's complaint that she feels you are distant is common. Check out the shalom bayis link in my signature for a heartwarming story.
The good news is that people do become sober. It happens all the time. Stick around. You can be sober too.
I look forward to "hearing" good things.

==== Re: yes even doctors masturbate Posted by cordnoy - 09 May 2014 17:57 Couldn't agree with Gibbor more than what he already said. I sent you a pm as well. What is with the "holocaust survivor"? Any significance? Your road to recovery should be with hatzlachah. Re: yes even doctors masturbate Posted by Pidaini - 10 May 2014 22:51 Welcome Dr. Charlie!! You have certainly come to the right place, we are all in the same boat, working on living life and appreciating REALity!! What have you tried doing so far to stop? Don't be a stranger, keep on posting!! ====

Welcome doc!
WE ARE ALL PEOPLE WITH A PROBLEM
WHETHER WE HAVE DOCTOR COLLEAGUES
JANITOR COLLEAGUES
LIBRARIAN COLLEAGUES
NO COLLEAGUES
WHETHER MY GIRLFRIEND IS MODERN ORTHODOX
OR DAUGHTER OF A CHASSIDIC REBBE [I had both]
I AM SICK AND THAT'S THE FIRST THING I NEED TO REALIZE

## I DON'T NEED TO REALIZE THAT EVEN DOCTORS MASTURBATE

MASTURBATING DOESN'T SEEM TO BE THE FULL EXTENT OF YOUR PROBLEMS
PLEASE FACE YOUR PROBLEM IF YOU WANT TO GET BETTER
