Posted by trysohard - 04 Aug 2014 11:50

i usually don't have web access but for the next 2 weeks i'm staying somewhere that has. just tonight i fell and decided it's time to join. i've been struggling on and off for over 10 years. even when i don't have a pc, i use my wife's cellphone (not a smartphone) which she doesn't realize has internet. Hashem please help me find a **permanent** solution here!

But 90 days may help rewire the brain and the marriage, so Mazel Tov with confetti and all
