[shmulse wrote:](#)

okay well she is helping me out with just reminding me to take deep breaths and relax and everything will be okay and she also lets me type to her any time i feel the need to write something.

Why can't you find a male friend to help you with that? There are plenty of us here.

It depends on what the 'somethin' is that he is writin' her.

By the way, what is that facebook thingy you mentioned?

so i have facebook dont know if people heard of it but i am friends with boys and girls on it and there is one person in particular that my dad does not want me to write anymore but she is kinda helpful to me she lets me write her if i need help so i dont know what i should do about it

how quickly one forgets
