

Hi there, everybody! I'm from Jerusalem!

I'm from Jerusalem and I'm so grateful I found this website. How, you may ask? By clicking on an ad that said "Click if you are 18+". Ironical, huh? What makes it more ironical is that I'm a Chabadnik. The group of yidden that emphasizes that "mind over matter" concept more than anyone else! It bugs me so much and makes me feel like a one big beeping hypocrite. I struggled with this desire ever since 14 years old. 4 treats have passed and I haven't tried anyone permanent to stop it. Now I feel it is the time to start like a freaking man! There I said it. I'm welcomed in your community now and I can look forward to much better (and cleaner) future.

Welcome to GYE!

Fellow Lubavitcher, here (not that it matters). This is a place where all 'types' of Jews help each other, regardless of background. We've all been where you've been and could relate.

Pull up a chair and make yourself comfortable. Read, post, chat, get to know the great guys on here. We're looking forward to getting to know you better.

Hatzlacha!

LOL! That's the same ad that I clicked on almost 4 weeks ago that got me here as well! Guys in my office were laughing at it and I joined in the laughter, but took a mental note of the website and jumped on later.

Now I'm almost 4 weeks clean and feel like a burden has been lifted off of my shoulders having deleted all my porn, deleted my secret email accounts, set up webchaver on my phone and stopped browsing porn and everything that goes along with it.

Baruch Hashem somebody had a great marketing idea to make that little blinking icon that said "Adults 18+ Only", I really think they tricked a lot of good yidden to a website that we'd never bother going to.

Keep it up and stick around, it will definitely help you as it has helped so many other before you.

Awesome! Reading your reply made me laugh so hard. I was thinking "where can this link possibly lead to?" Cool. A website just for me!

Baruch Hashem that has brought you to this site of kedoshim and tzadikim . Maybe this is what Hashem meant when He inscribed you in the book of tzadikim when your davening on Rosh hashana , you were inscribed in GYE of course. KUTGW JTJew ! The same goes for Ashbalt Hatzlacha in your Journey to recovery
