Welcome!

Although, as of yet, I still don't see any actual admission of a problem...

Don't be ashamed to, we are all together in this here.

Welcome,

ditto to Moish!

Take it slow, but take it!

My advice: don't let go of GYE, it is amazing.

I myself recently started posting here and reading the handbook, it really helps!

I had the opportunity to use this site a while ago and I didn't follow through with it-how I wish I had.

Welcome!
I don't want you to lose out on any time.

Make yourself at home here, for it is truly a warm place to be.

Welcome! Welcome! Welcome!

GREAT MOVE!

Don't look back. Stay here and stay the course. You will learn to live. You will learn to give and teach.

You will succeed.

WELCOME! You have opened the door. I remember being very nervous to open up. But it's the best think I ever did. Keep posting and sharing. Check out the links in my signature, the handbook etc.
