

Help needed

Posted by 6545 - 22 Jun 2015 19:43

Hi I'm officially very frum married with children, had some tough times before I got married but once I got married I was totally clean clean for 2 years until some incident and since then I went totally down meaning boel eishes ish and nidahs unfortunately to say from the nicest frumest families too and even cool women who have open minded husbands are still looking out there now I'm struggling and trying to get back to who I was for my first two years instead of the past 3 but as long as I'm not clean it's hard to fight cause even if I tell them I wanna be clean they say ok they understand me but the next day I get a call or a text I need you I miss you etc and one that lives on my block and knows my schedule is everyday in front of my house when I come home from work winking and smiling and then I fall back I explained it to those who chase me they understand but still won't let go.

Wow, that is some heavy heavy issues. I just read through the whole post. I too have jsut started posting and came "out" with a very troubling habit as well. As one who has similar issues, I truly feel for you. Just want to know that your posts helped me, to read them, and that it sounds like you are making some serious progress towards stopping your stuff. May Hashem help you in your struggle. We we all succeed in our struggles and achieve complete success.

What separates us from the rest of the world is that we know these are aveiros that need to be stopped, we feel guilty about them, and are taking steps to change our lives.

Me K'amcha Yisroel.

I agree. This will not go unrevealed. honestly, women are not stupid, in fact they are very smart. I would venture to say that unless your wife is totally and completely naive, she knows something is going on, she just probably has no idea of the seriousness of it. And the fact that you are carrying on with a neighbor who is friends with your wife, man, that is stressful stuff for anyone to deal with. You must be dying from the stress. Look, I can imagine how hard it is to resist when these women are literally throwing themselves at you. Obviously, the women you

are carrying on with have issues as well, as or more serious than yours. Sounds like in the later threads that you have broken off all contact, that is a great thing. Kepp strong achi, and daven for strength and forgiveness. Hashem will come thorough for you if you want and let him. Thank you for opening up on the forum, it helped me tremendously to see othgers struggling with many of the same issues...

I just want to let you know that there are many religious people in SA (and I'm sure not in SA) who are not Jewish and view this as a sin.
