

10 PM call

Posted by serenity - 06 Aug 2015 01:38

Plan is to finish the reading for the cycle on the call tonight starting at 10:00 PM or shortly thereafter. I'd like to suggest that on Mon and Wed nights after that and until Rosh Hashanah, we read from the AA 12 & 12 and the SA White Book for 20 min or so promptly at 10 PM with shares after.

Pls come on the call tonight, so we gave a group conscience on that.

Yakov

Thanks to those who came on the call. We finished the reading for the cycle as planned. The group conscience seems to be not to read the White Book. Plan so far is to read from the AA 12 & 12 at 10PM, talk about implementing the steps in our lives and have general shares. This applies to Mon and Wed nights. Ytzchok G. will be leading the call on Tues and Thurs nights and some good recovery planned!

20 minutes to call time. Yitzchak G has a nice recording for us from Shase Taub followed by discussion.

The conversation took on a life of its own, as it often does. I guess the Shais Taub recording will be saved for another night.

Once again we find ourselves at the auspicious moment of 20 minutes to call time. Come join us. Hopefully the Shais Taub recording will be up and running.

We had a wonderful call tonight. After some initial technical difficulty, we were able to play a recording of Shais Taub in which he really crystallized the definition of an addict from AA and applied it to a lustaholic. The last few of us just got off the call. On the next call (Monday night) we will I"yH play the question and answer portion of the tape. If you want to listen to the recording on your own here is how you do it. On your phone dial 209-255-1099 then enter 637207# and select recording number 15.
