

Hello friends

Posted by Gettingcloser - 20 Sep 2015 20:34

I just came here, I'm taking off my coat & hanging it into closet, making myself comfortable here..

Please give me some advice on the minhugim & everything else I need to know about this holy crowd here,

Just 1 question writing & reading in Yiddish is easier for me is there any Yiddish forums?

I told my wife today (after her umpteenth time of not being interested) that I view sex as optional. Do I want it? Yes. Do I need it now? No. Will I mope? I will try my damnest not to.

She liked.

Regarding the obligations of onah - that is if she wants it.

Moping Is a woman's tool, you can't go competition with your wife,

Men need to take action & fix whatever has to be fixed

Ok

As long as we keep talking about our favorite subject everybody's happy

lol woohoo evil dry whistle

Eslaasos, He's referring to the subject of our addiction.

I'm confused, is the conversation commendable or not?

The rabeinu Yonah in ??? ???? ??????explains...

Look it up he explains it very ??????? very geshmak

Perhaps you mean feeding the ??? ??? is very geshmak?

Excuse my ignorance, but the 2 great sforim you quote are not readily accessible to everyone on this site, and you also don't give exact sources.

When quoting such radical things that are against what our ??? ??? understands, I'd think it reasonable to ask you my friend please to quote here some short excerpts so we can see exactly what those great rabbis have to say

??? ??? ????? ?????????)??? ???

???? ??, "? ???? ?" ???? , ???? ?(, "????? ?????? ?????? ?????? ?????? ???? ???? ??????,
???? ?????? ?????? ?????? ?????? ?????? ???? ???? ???? ???? ???? ???? ???? ???? , ?????? ??????
???? , ??? ????? ?????? ?? ????

??? ?????".

All those sources are regarding Tashmish with wife.

Were you trying to make a different point? Please explain where you're trying to go with these

Thank you G.C.!!

I'm referring to eslaasos who asked me to share the gamaros that are different then the gamara of masbio ru'uv marivo suvu, we were talking about tashmish, of course giving in to yetzer hora to do eveiros is not helpful to avodas h',

The rabeinu yona I quoted is calling tava yetzer hora (the maharal is saying there are 2 kinds of yetzer hora 1 is a angel the is the desires of the heart & only big tzadikim have the ???? yetzer hora)

The rabeinu yona is also on the topic of tashmish with wife,

You're making a mistake. Marivo saveu does not mean no tashmish at all

Rabbi A Miller told about a woman (in slabodka?) that used to flirt with boys with Mussar

Kidding aside, the Mussar Haskel AE was trying to convey is to cut shmoozing about lust to the minimum.

Yet on this website there's definitely a different yardstick of what's open for discussion, and in my view it seemed like we weren't doing too bad

G.Y.T. to all the truckers!
