WELCOME! It can take some time to get used to, but you will be a pro in no time. Read the handbook, start a thread. Keep posting.

Hey inspire.. welcome! It's great that you came in with such a great attitude. I started a thread "nice and not nice to be here". But I think it's better to focus on the "nice to be here" part. We get to inspire ourselves and others to reach heights we never dreamed possible. Coming into this inspired should help us come out truly inspired.

Please share with us your story and why you picked that name
