

OnTheRoad is BackonTrack is OTR is....

Ok, I had opened a new screen ID because I had forgotten how to get into this one. But This is who I started GYE (or GUE at that time for old timers) as originally, and this is the screen name I want to use. I have never posted in THIS forum using OTR as I was here in the past when we were on the old forum platform. But OTR for anyone who remembers me is who I was, am and will be here going forward.

- Getting to the matter at hand because who really cares about the significance of an anonymous screen name..... What's different this time?

-My wife does NOT know that I am joining the forum now. Actually she is not aware too much of my current condition.

- I am not here because I was embarrassed into coming, or (as previously) because my wife caught me and I knew I needed to do 'something'.

There was something very cutesy and supportive about my previous experience. You know... my wife was proud that I was on the forum, I told her about some of the jokes... etc.... And I think, had I continued keeping myself out of isolation, that I would have probably remained in recovery for longer. Especially seeing how the tools on this forum have grown....

But this time I am here because I want to be here. I am not necessarily looking to share my experience here with my wife, because this is about me and my life and my desire to leave this side of me behind.

What drove me to come back? I have nothing else to offer myself to improve, broken nedarim that worked well for a really long time but then eventually I transgressed.;... I took apart and put together my faith, my understanding of my higher power. At about 40 years old, I said ok what am I doing with my life, is this what I want? What do I want.... It was not Hashem as we call it in yiddishkeit, it was Truth- emmess. wanting to be a person of the truth and connect to the truth because that is the only thing that is stable in life.

And one thing it requires is being good to your word- which I wasn't... So what did I have left to say for myself? Not much.....

Through this I realized (again) that I have no other recourse but to reach out to others and get help with this. I called an old GYE buddy or two... got no reply. So I need to start again....

In a way the fact that I am here now, not because of external shame, but because I want to be a person of truth, true to myself, true to who I want to be... I think that makes this a little more real.

That is one thought that I have.... There are so many interesting things to get out in writing, I can't get them all down at once..... But I am starting on my 3 preliminary days toward getting on the 90 day chart, installing proper filters and getting back on the road or on track or whatever you call it to get straight and become who I really want and am supposed to be.
