I joined GYE 12 days ago. I don't know if I am an addict or just have a Yetzer Horah. I always had filters on my devices but I found that when ever I found a way around them I fell in. After joining GYE I feel very much impowered to fight this Yetzer Horah and win Be'ezras Hashem. I was by the mechanic today and usually I would want to look at the magazines. This time I didn't even want to.

you fell in," or perhaps "every time you began to fall in, you found a way around the filter?" I know with me, it's the latter.
Food for thought.
