

Introduction

Posted by 11needfixed11 - 07 Mar 2016 15:07

---

I joined GYE less than a week ago. Being convinced that my "habit" wasn't hurting anyone, I wasn't acting out, just looking, I became addicted to pornography and remained active in my addiction for many years. When I am more comfortable with this process (forum), I might share more details (not easy). In any case, I am glad to be here and hopeful and committed to getting my addiction under control, finally.

Welcome!

The forum can do wonders!

I still thank Hashem for GYE every day.

(& obviously to the chevra here too!!!!)

Hi 11,

You can and will succeed with the help of HKB"H.

Make sure to reach out to all the wonderful people on GYE who will provide you with inspiration, ideas, methods and strategies to become healthy!

Welcome to the GYE family!
