Welcome!

My advice?

When a guy called Cordnoy comes soon and says "Welcome", that's code for 'Email me / call  
me / Follow my Truck'

Welcome.

I changed the name of thread.

Most addictions/fantasies are related.

If not, and they are specific to a cause, a therapist or someone who knows you personally can be of assistance.

Welcome.

I seem to of missed reading your original post so that's all I have to say.

Keep on posting!

Saw this...PM'd you, chaver. I'm willing to bet you are not alone. If you want, just email me at  
[wequithiding@gmail.com](mailto:wequithiding@gmail.com)
