

Introducing myself

Posted by devunei - 17 Jun 2016 08:50

Hi

I don't know how much to share here but I am very glad to be a part of gye. I am looking for a sponsor to help me along if possible with my journey.

I am in my 30s married with kids and have been struggling since I was a kid.

Thank you

Welcome! Reading the handbook, and posting on the forum are good places to start. I have some good links in my signature you might want to follow. Keep posting!
