Hi there I've been struggling for some time already, I've done the 90 day chart a few times but after that I will fall over time... I don't feel it ever getting easier over time like it is said (after 90 days...) I'm not married though I'm coming of age and I need to get a handle on this before I even think of it. Any help will be appreciated. Thank you very much!

Interesting, how would you advise me to go further? Starting tonight being my first.

Check out the handbook.

It's actually more how you decide to go further.

Ok thanks ill c what I could find useful over there
