

HELLO

Posted by good jew - 16 Sep 2016 17:02

Hi everybody im just another example of a normal good jew that started using the internet for bussiness and just got stuck in the mud. And looking for some help not sink all the way. thank you GYE you are a lifesaver

Welcome mr good!

What do you mean "all the way"

As you see im just starting to sink , and getting more and more into visisting non appropriate sites

and acting out. I want to stop the sink and not take any further and just going up up up.....

Ok - same here

Look around - see what works for you. Take your time, relax!
