

Moved to Cleveland- Looking to Connect

Posted by nycob - 09 Nov 2016 18:59

---

Fellows,

I am a sex addict in a 12-step program who recently relocated from NYC to Cleveland. By the grace of G-d, I have been sober 32 months. I've started going to meetings here, but it would be great to connect with other observant fellows in my area as well.

If you are in the Cleveland area, please reach out.
