Hayom Yom 0

Hi everybody. My name is HayomYom. I hope to start counting my days, and making my days count.

(...yeh yeh, one day at a time...)

Obviously, I'm here cuz I suffer from lustaholism, and I want to get better.

Based on my analysis of my failings, I need to adhere to the following guidelines:

1. Avoid looking at forbidden/triggering images of any sort.
2. Avoid touching myself for pleasure anywhere close to the 'sensitive area'.
3. Avoid any form of dressing or undressing for lustful purposes.
4. Avoid lying on back or stomach (even partially).
5. Last but not least: Avoid unnecessary internet usage (hard to define, but the heart knows...).

Oh, and another very important guideline: Avoid triggering thoughts/fantasies (hard to quantify, but the mind knows...).

I hope to update regularly (if not daily, at least weekly).

GitShabis!!
