Just Because you asked.

i'm a simple person with regular struggles.

basically once a month i get addicted klutzing away for some cute/music videos,

i'm working on my self to actually once and for all install my filter and that should be the end of it.

I did that too

And that was the end of it

The end of the filter

But that's only cos me and filtergeek like loopholing. Maybe it will work for you

Either way KEEP ON TRUCKING

Oh how I envy the regular strugglers

Keep up working on these little bits, so you (and your kids) dont get to the real ones!!!

(If i would have listened to the Rabonim in the 1st place, i would have been in a much better place now!

But that has BEEN already now we need to keep TRUKING on as Markz always saying:grinning:)
