

WILL SUCCEED BE

Posted by will Succeed Beh - 08 Dec 2016 18:59

Hi

Here is my story, I'm from a normal Heimishe Family, good loving parents,

When i was i young boy i came to notice that there is some differences in body between male & female, so i started fantasizing about revealing them, then i found some catalogues and devoured them to find some hints, that was basically it. Till one day when i was in Yeshiva Ketane i found a phone (a simple stupid phone) and i found that by browsing a bit i could find some interesting things..., didn't get to far then as the phone had a under 18 safeguard block, but enough to make me realise that with any phone with using a bit of your head you can find what you want, you just have to find your way around, after a few days my parents noticed it (from extra charges on the phone bill) they asked someone to speak to me and he did, but didnt help to much for my newfound ideas.

About a year later i found another phone this time it was a Blackberry and within a few minutes i was exposed to the worst pictures, that i didnt even dream that there is.

Afterwards i went of to Yeshiva Gedola in Israel, at first everything was ok, but slowly the old habits came back, but i didnt have a phone so it basically stayed in my mind, about 1 1/2 years into Yeshiva Gedola i started to masturbate till then interesting enough (B"H) i never did it!

Then one Bein Hazmanim when going back to Yeshiva i took with me a phone, in the Beginning i only played games with it, after that i bought a sim card and...

Then i got married to a beautiful nice young girl was extremely happy, i got settled and it seemed that everything was ok, but deep inside it still bubbled - it was never fixed.

Bout two years after my Chasuna i started again @ first just making sure to see some things by mistake (in a *kosher internet caffe*) then i got laptop for some work, i made sure to install a good filter. But then it started with movies, i got hooked up on an actor went on searching for more movies and in the same time i started to look for loopholes in the filter, sure enough i found some, i started to search for porn (which i can say was quite hard to find with a filter), after some time i took off the filter, started viewing porn and started masturbating 1st time since my Chasuna (2 1/2 ys), then started the cycle of putting back the filter - taking it off.....

Then i found GYE by an ad on the yeshiva world news site, i started of with the 90 days chart, it helped for a while, then fell back down tried again and fell again, till i realised i need something more,

So im starting Beh the TaPHSiC Method.

BE"H WE WILL SUCCEED

Please note: I read in this week's news that all giraffes are expected to disappear within the next few years. So make sure to be in recovery before that happens.

Hi Brothers, A Gut Voch & A Freilichen Chanuka

?How was the first Chanuka Lights by you?

By me it was amazing B"h, there was this Clean feeling.... sitting by the candles connecting to myself and to Hashem, trying to keep my little boy occupied at the same time, wonderful family

time and wonderful Hashem time!!!

This Shabbes the old drives started to come up, in forms of old pictures and videos, B"h managed most times to steer my thoughts to other places, the thing that kept me in bay not to go in to the circles {i do want - no i dont want} was the amazing TaPHSiC Method program.

It was just by the Chanuka Lecht i realised why the YH went on to such an assault today! It was the last day chance to get me before Chanuka, imagine how i would of felt if i would of fallen after after working nearly a whole month on Clean Kislev Project - Lekoved Chanuka, just to fall 1 day before chanuka!!!!!!!!!!

i would have been Broke! (dont worry i dont think that the YH forgot me... he is still at work:imp:)

So somewhere this week i'll have to renew my Shvua, as it is expiring on Rosh Chodesh Shevat.

As a follow up on the discussion about 1st look - 2nd look @ a women.

I saw an amazing shiur by Harav Zamir Cohen, says: a dressed women - look is ok, *Iyun* look hard/analyse is forbidden; undressed women - should not look at all.

[Here is the link for the shiur.](#)

I've been struggling the past week with non Jewish movies, that keeps me setting back, didn't fall but it can bring close.

So I was thinking of making a TaPHSiC Shvua on not watching non Jewish movies, I asked my Mentor what he thinks about it, he said he thinks it's a good idea, but its best I should ask people inside GYE what they think about it.

So what do you think about it?

Step zero is to stop, so if that's what you need, go for it. Realize though that it's not gonna fix the problem; it might, however, give you the clear mind to analyze the problem.
