Hey,

Welcome to GYE. You are definitely not alone on this one. I'm sure you'll find stories similar to yours. Check out the tools GYE has to offer, i'm sure there's something that could help you. Being as you are 17, maybe check out the teens corner forum(but keep one thread for yourself)

Keep posting and good luck,

360gye

also poor people. The airtime I wipe out on a dumbphone. But the *Olam Habah* might be worth it.

Welcome, stoping! May we see you go on to big things.

Is it possible that we can change the title of this thread? I find it triggering. I know that's pretty selfish of me, but I was just wondering. Thanks all.

Good for you for recognising what's wrong early and making changes. I wish I'd been more mindful at your age. I'm 22 next month and going through the same things. Best of luck, bezrat HaShem all goes well for us.
