Posted by mikestruggling - 15 Mar 2017 14:33

hi yakov or whoever will read this.

?i grew up in an abusive atmosphere my mother would beat me, i was bullied in school and one of my rebbeim picked on me and got my whole class to laugh at me. i was in therapy for the resulting problems for quite some time. i still see a therapist from time to time. at one point for two years i was taking meds a generic for Zoloft. that's my emotional history.

as for the kedusha problems I've been masturbating now for 13 yrs.. i have spoken to numerous rebbeim who tried to help me along the way. they weren't really equipped to deal with me. eventually i discovered porn but baruch hashem i always had limited access. i still have relapses in porn which are hard to get out of. i'm now married bh and i have a daughter bli ayin hora. please help

not sure how you'll contact me my email is mikefineroth@gmail.com (not my name and i don't know anyone with that name)

hope we'll finally break free
