Hi,

I knew about guard your eyes for a while having been on some of dov's desperados calls.

I'm going to be in Minneapolis for Pesach and am looking to either meet other members who are already part of an SA Meeting there or someone else who will be there for Pesach as well.

One of my concerns are that being that its yom tov and there are no meetings walking distance in the area that I will be

If anyone has any leads or phone numbers of members that will be in Minneapolis would be great, as I have realized that I cant deal with this alone and I thank gd have three days of sobriety and have been going to meetings for 8 weeks now that I have been in SA.

I have found a sponsor but not sure how its going.

Would love to chat with some other members.

I find it hard to believe, I sure hope people who are going know their plans by now, as tickets are getting quite expensive, and just because living ODAAT doesn't mean you cant make plans for Pesach.

In any case it doesn't seem like there are any members here in Minneapolis which is ok.

I just have a hard time every time im in a certain area there and drive by a certain strip club that I spent a lot of time and money in... and I cant forget the name of the girl who gave me the best lap dances at that club, it was probably an alias.

I need to surrender my lust and would be great if I can meet some members over Yom tov and maybe even make it to a meeting.

why do you need to drive by that place?

I think it would be beneficial even if you can contact someone via whatsapp/email. I agree it would be best to meet someone live, but take what you can get

members from the club?

the club has meetings?

by the way, were those the best lap dances of that club, or from any club?

I actually feel for you, as you must be from Fargo or Cheyenne, for last I checked, Minneapolis is not known as the hotspot for clubs.

don't take anything I say to heart; my wife doesn't either.
