

Introduction

Shalom,

I'm finally posting on here. I found this website a few weeks ago but I wasn't really ready to make the commitment to stop at the time. After a particularly bad session tonight, I decided to sign up for GYE. Not sure if I'm doing any of this right and I'm not in a particularly great place at the moment, but I figured I'd just say hello!

Welcome brother

Take your time

No one is gonna push you to open more than you can

No one is gonna open your can more than you allow
