

Introducing Myself - "Nerdy"

Posted by nerdy - 09 May 2017 19:10

Hello readers.

I am new and not sure how "vivid" is vivid. That is, I am not sure what may trigger in others. Feel free to edit.

I was born in 1963 making me 53 years old. My upbringing was rather stiff as my father was very controlling. In the late 70's , when I reached puberty, I started masturbating. Unfortunately, my struggle has been ongoing. TV in those days would be super clean compared to what children see today but shows like Charlies Angels and Wonder Woman gave me material to feed the masturbating habit.

My first marriage started when I was in my early twenties and lasted 27 years. My marriage starting going downhill after only a few years. there was sex 2 or 3 times a month and much masturbating throughout. With the introduction of the internet, words are not needed to mention the material that fed my habit.

My second marriage started a little after a year of separation. During our dating she was bold enough to ask if I see inappropriate material on the net and I was honest to say yes, although masturbating was never brought up and even now we never spoke about masturbating during our marriage. She asked to me to speak to my Rav and therapist and I did and she was convinced the issue was under control. In our current marriage we do not have a TV or internet at home, but still I see things at the library. I told my wife i have a strong sex drive and would like like sex almost every night. She is reluctant to engage that often, but we do have sex 7 or 8 times a month.

My Rav used to take an active interest in helping me but has gotten so busy , he doesn't have time to reach out. My therapist is a "generalist" and not giving solid enough advice to help my problem.

I am hopeful GYE may help.

Thanks for reading

Firstly, I am offended.

Secondly, at least by me they know or think that I may be joking; by you, people may think you're serious and accordingly they will go and cajolingly rape their wives.

Thirdly, open up a damn dictionary.

Fourthly, why don't you ask your wife her opinion?

Lastly, what does the talmud say was the manner in which a woman lived during her menstruation cycle and subsequent seven clean days?

ieeyc, please send me the marah makom to the gemura you quoted. Thanks.

The Gemara is in Nedarim 20b. It is also mentioned in Halacha. However there is a machlokes Rishonim exactly what the Gemara is referring to.

This is all not relevant L'maseh. Read Cord's post.

p.s. I was once in a used Seforim store and found a book misinterpreting Gemara's for all types of Apikorsos... Not saying anyone is misinterpreting anything here.

thank you for the source ,but missed my point

I understood your point you were trying to make. However it is based on a assumption of yours (that the woman wasn't completely agreeable) which might not be accurate. Also there is a fundamental difference between something being permitted and something being proper.

hi guys id like to ask a question which i feel has to do with nerdys thread, if a bachur has a problem with ma*****,is it wrong to advise him to get married, please dont give me opinion that marriage doesnt solve the problem, i just want to know if this advice is saying that a wife is a ,s*x toy, sp*** bank ,kosher bathroom(?), or whatever.waiting for your reply,please dont dance around the question, a simple yes or no will do.

If you mean suggesting marriage as a solution to the problem, the answer is that it likely won't help and might make it worse. If you mean in general should someone with this issue get married, that would depend on whether he is working on it and whether he is a mentch in general.

sorry for lack of clarity ,the above question was is such a suggestion a degradation for a woman as it might be implying (at least to some people who have been affected by the womens lib movement, it seems,)that a woman is a s*x toy ,etc...?

if in your dictionary cajoling a wife is akin to rape ,then im sure that dictionary says dancin` is akin to mixed dancin` so please not here.

Sorry for the sidetrack. Just a quick question.

Is there anything wrong with writing out words clearly rather than using ***? I had to run those *** through my decoder to make sense of the question? I'm not suggesting using foul language which GYE's filter removes, I'm only asking about proper terminology, like sex instead of s*x, masturbation instead of m*****n, etc...?

p.s. does the old poll feature still work?
