according to statistics 1 in every 4 people were sexually abused

i guess that is not accurate

or no one yet is interested in a group

Several years ago it was one outta six.

EitherEither way, it's probably way off.

B'hatzlachah to you and to others.

Thank You

it does not seem like there is alot of interest so far so we will need to wait

i was in touch with gye already nand they like the idea

i looks more like 1 in 30 are abused son far
