

Finally joining the forum.

Posted by LKH - 16 Oct 2017 08:11

Hello. I officially joined the GYE community about half a year ago or so. Untill now the only feature I used was the 90 chart. Updating once every few days-weeks.

Finally finally I have been granted the courage to go through the forums and I am blown away. I can now see why the Yetser Hara was fighting so hard making sure I don't come here.

May the One Above help us all.
