Hi,

Been struggling for years on and off. In my mid 20s. Still single , Frum guy always been shomer Negiyah.

Im having a big problem with phone sex, sexting. Not touching woman or porn. Ive bh kinda grown out of the wanting of either one of those. Its the urge to have a womans number and to talk to them to stimulate me to do innapropriate stuff. Have to stop ASAP. Am in shidduchim. This urge is an addiction for years now and has taken over my life.
