

Hello

Posted by ygkbi16 - 07 Nov 2017 14:15

I struggle from looking at the shmutz on the internet and thinking about the girls from before I was BT.

Hello everyone. I'm kinda new to THE and I don't exactly know how to find my way around. I was in the middle of a conversation with someone on "chatrooms"-"one way chat" and I can't find it anymore. This is different than private messages from when your on forums. Anyone know how to find my conversation? Also, how exactly does one quote specific words and reply

to them on a forum?
