

Introduction

Posted by kjs_day - 14 Jan 2018 18:31

male/67 years old/profession: musician:teacher/performer/soloist/working at an online business for profit.

single/divorced/looking for a new mate/have issues with porn about every 30 days or so/it takes up my time and comes up in my thinking at the same time I am trying to develop a plan of action unrelated or doing something for my website/business. It gets in the way!
