

Down but not out

Posted by breakingfreehayom - 22 Feb 2018 06:22

I'm tired. Very tired. But I guess not tired enough. Over 25 years of lusting and addiction have not shaken me enough to say "enough!"

But I'm not done. And Hashem is GREAT. Today begins my 90-day journey.

I hope to keep you posted daily on my progress and introduce myself a bit more along the way.

Protip: Select all the text before clicking "Submit" and hit Ctrl-C to copy to clipboard. That way if something goes wrong you can just paste it back in with Ctrl-V. (Same goes for mobile devices just with their respective Copy/Paste buttons)

I sometimes compose a long message in gmail, it gets autosaved as a draft. That way I can also stop in the middle if I have to, then come back to it later. Then when I'm done I copy/paste it here.

Other times it lands in my inbox
