

Hello. New here.

Hello, I'm 23 years old from the US.

My struggles: Pornography, SSA, masturbation.

Where do I even begin? I grew up as a fundamentalist Baptist Christian. When I came out as gay, I was abused and kicked to the curb. Eventually I became an atheist and left religion completely. About 4-5 years ago I had a longing in my soul for something more. Even when I was a Christian, I knew Christianity was not right and something felt "off." When I was 8 years old I remember wanting to learn how to read Hebrew. I first did a reform/conservative "conversion" and am pursuing a full orthodox conversion.

I long to connect with my Creator and I know that such actions are never OK, even for a non-Jew.
