

Not sure where to start

Posted by DoingItForUs - 08 May 2018 01:43

Not sure what to write here... I'm kinda new to this whole public thing... I'm really looking for someone that's in my situation in a awesome marrage for 2 years and struggling. I hope this sparks something...

No more sparks. Just Truck on ;-)

Thanks to Donald the Shadchan, North and South are on good terms - No more sparks. Maybe the marriage will last 2 years, who knows?

So call the white knuckle house if you need help.

Me? I'm joining the capn' on his cruise call tomorrow, actually I wanna do him a private yacht call, and he actually answers his phone :-)

I'm still learning Markzism but I'll give it a shot:

Thanks to Donald (**Trump**) the Shadchan, North and South (**Korea**) are on good terms - No more sparks (**from Little Rocket Man**) . Maybe the marriage will last 2 years, who knows? (**reference to DIFU's "awesome marriage for 2 years"...**)

So call the white knuckle house if you need help.

(whitekunckling + White House (see Donald the Shadchan above) = white knuckle house)

Me? I'm joining the capn' on his cruise call tomorrow, actually I wanna do him a private yacht call, and he actually answers his phone :-)

(He's joining someone's (cordnoy?) conference call tomorrow, actually he wants to give him a private call)

Apologies in advance if I mistranslated, Markz

DIFU, welcome, keep posting, stay connected. Make yourself at home here and hopefully you will find people you can relate and connect to.

Yes, you need chizuk, which iyh you will get here. But maybe more important, you need the tools to stop. GYE and the successfull chevra here offer many strategies. Find things that resonate with you. For starters, have you removed unnecessary accessibility to pornography and the like? Many of us here found that to be a major game changer. Not having super easy, always available shmutz at our fingertips, was a major step in regaining control. We finally realized how much internet access was **really** necessary, and how very much more was just something that we had not been willing to give up. Hatzlocha.
