

Hi, I'm GratefulTzvi

Hey I'm GratefulTzvi, Just wanted to introduce myself. I'm 63 years old, I am married with five married children, and 17 grandchildren (so far). I identify as a recovering Sexaholic. I have been in 12 step rooms for more than 4 years, and have over 52 months of continuous physical sobriety. Emotional sobriety came a bit later, after finally doing the steps with my sponsor. Today, my life is full of purpose, living the steps, not just reading and talking about them. My wife has benefited from the programs on this site over the years. I have to admit that until now, I haven't availed myself of the tools that are offered here. Look forward to connecting with others who share my journey.
