

Looking for a Program Partner

Posted by RobFloyd - 10 Jun 2018 09:27

Hello All,

I have been on GYE for over a year but I haven't posted in a while. You see my story here:

B"H, I am sober and comfortable on the path of Recovery. However, there are always challenges, and I would like to have a partner who I can contact when I'm having a rough patch.

I am 50+ years old, married with children and grandchildren. I live in Israel, so I would prefer to partner with someone who lives in Israel.

Please contact me if you are interested at rbfly09@gmail.com.

Thanks!
